15CHPX

Remarkably efficient packaged heat pump

LENNOX

HOME COMFORT SYSTEMS
Innovation never felt so good.™

Dave Lennox *Signature*® Collection 15CHPX Packaged Heat Pump

Dependable scroll compressor provides greater cooling efficiency

Efficient operation can result in significant energy savings*

Unique, Indoor Air Quality (IAQ)-ready design provides the option for fresher, cleaner indoor air

Optimized for ozone-responsible R410A refrigerant, which meets the EPA's (Environmental Protection Agency) most stringent guidelines

Sleek, newly designed cabinet allows easy installation in almost any residential setting

Lennox® System Operations Monitor reviews system performance for additional peace of mind and faster, easier service

ENERGY STAR® qualified

The new Dave Lennox *Signature*® Collection design provides remarkable comfort. The unique, internally mounted fan contributes to minimized sound transmission.

REMARKABLE, EFFICIENT COMFORT—SEASON AFTER SEASON, YEAR AFTER YEAR

Dave Lennox *Signature* Collection packaged units not only keep you comfortable, they also save you money. The innovative scroll compressor (the unit's cooling engine) is more efficient than conventional reciprocating compressors. With cooling efficiencies of up to 15.00 SEER, energy cost savings really add up. And the R410A refrigerant meets the EPA's most stringent environmental guidelines.

Comfortable

Provides a high level of comfort and reliability

Dave Lennox *Signature* Collection packaged units offer legendary Lennox quality, along with outstanding performance and reliability. From the quiet-operating compressor to the durable, newly designed cabinet, these units are built to deliver exceptional comfort—season after season, year after year.

Efficient

Lowers your cost of living by reducing your utility bills*

With efficiency ratings of up to 15.00 SEER and 8.00 HSPF, Dave Lennox *Signature* Collection packaged units are designed to keep you comfortable all year long, while keeping energy costs down.

Choosing an ENERGY STAR product can help you improve comfort and save money. Get details at www.itpaystoliveSMART.com.

EFFICIENCY RATING

Up to 15.00 SEER

(Seasonal Energy Efficiency Ratio) and 8.00 HSPF (Heating Seasonal Performance Factor).

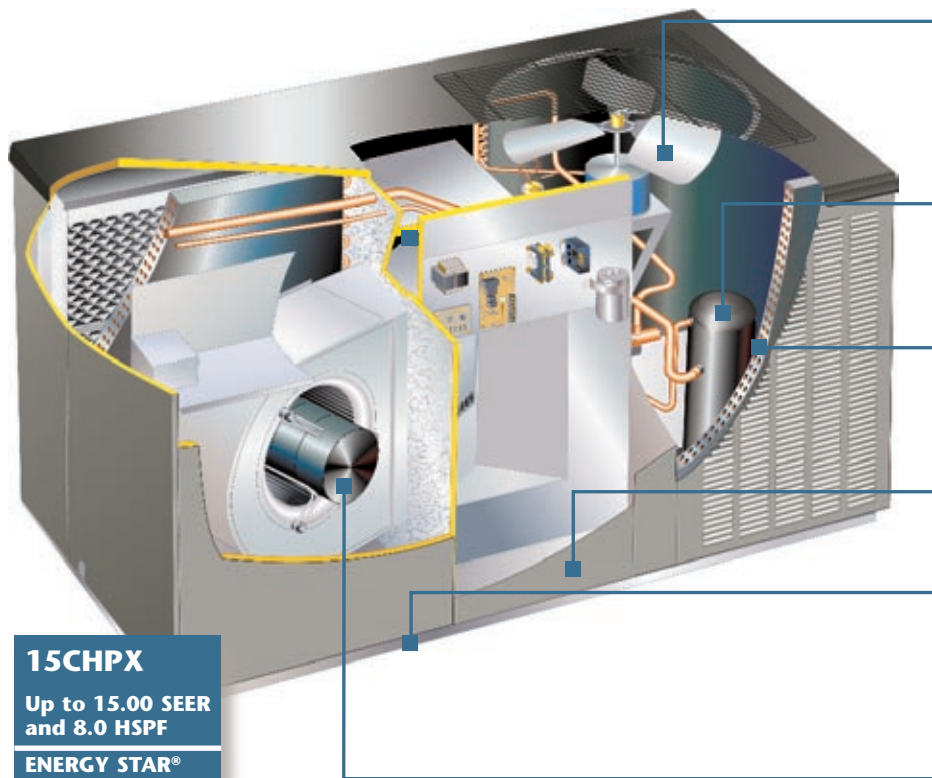

WARRANTY**

10-year limited warranty on the compressor.

5-year limited warranty on remaining covered components.

*Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.
**Applies to residential applications only. See actual warranty certificate for details.

RELIABLE FEATURES FOR YEAR-ROUND COMFORT AND ENERGY SAVINGS

15CHPX

Up to 15.00 SEER
and 8.0 HSPF

ENERGY STAR[®]
qualified

Internally Mounted Outdoor Fan – Significantly reduces operating sound (vibrations) and allows easier servicing.

Dependable Scroll Compressor – Provides reliable and efficient operation.

Enhanced Coil Guard – Protects the condenser coil, maintaining the efficiency of the unit.

Easy-Access Control Panel – Allows faster servicing.

All-Metal Cabinet with Integrated Base – Offers long-term durability, even in most harsh environments.

Variable Speed Blower Motor – Precisely controls the flow of heated and cooled air for improved comfort.

IAQ-Ready Design – Can be easily equipped with an internally mounted PureAir[™] Air Purification System for improved indoor air quality.

PureAir[™] Air Purification System—Cleans the air in your home better than any other single system you can buy

Quality you can trust.
Constructed of heavy-gauge, pre-painted steel and tested in the most extreme environments to ensure maximum durability.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR[®] criteria. Ask your Lennox dealer for details, or visit www.energystar.gov.

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality. Lennox also offers a line of residential generators which provide safe, reliable standby power in the event of outages.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
